# Zehnder Impa

Product data sheet

Zehnder Impa stands out because of its subtle elegance and practical functionality. The geometric design with the square tube elements is a perfect fit for any bathroom. The generous clearance between the sets of tubes makes hanging and warming towels easy. The radiator is available in white and with a high-quality chrome finish.

## Benefits

- Timeless design with square headers is ideal for classic bathrooms
- Small radiator depth ideal for narrow rooms
- Easy cleaning with the lambswool cleaning brush from Zehnder
- Generous spaces between the tubes convenient for hanging towels

## Model overview

Dimensions in mm

## Connection to hot water central heating system or for dual energy operation

Painted version

Model	H	L	Thermal output				Classification electric heating element Watt
